Definitely not a cookie cutter house!

We can guarantee you haven't seen a duplicate of this house, anywhere! Whether you want to run into the City of Buffalo for great festivals, attend a Buffalo Bills game, launch your boat, or hang around the eclectic Village of Hamburg, you are never more than 20 minutes away. The stucco exterior is totally in character for a home of this style. Covered front porch leads to a large tiled foyer with French doors on each side. Sunfilled den with new hardwood on one side & expansive living room (Baby Grand Piano included!) with sandstone fireplace as focal point on the other side, a family room & lovely kitchen with oodles of cabinets. Upstairs the primary suite (with fireplace) has doors to covered balcony overlooking in ground pool.
